ABOUT US

Who We Are

Indo Porcelain is one of Asia's leading tableware manufacturers. We are the makers of ZEN, the whitest porcelain ware on the market offering a broad choice of Western and Oriental shapes, glazes and decorations. Additionally, in 2000 we introduced ZEN COLOR; new and exciting colors that offer the most colorful color ranges to our renowned high standards.

We undertake also special commissions and are Original Equipment Manufacturers (OEM) for many of the worlds leading tableware brands.

ZEN, our whitest whiteware is as the name implies the very essence of quiet, timeless elegance, loved by hoteliers, restaurateurs, chefs and discerning buyers, for these very reasons. Culinary presentation is so important and ZEN whiteware makes it look even more appetizing thus adding tremendously to its appeal.

The beautiful white hue of ZEN Western and Oriental ware is picture perfect when presenting the culinary delights of inspired chefs to appreciative diners. ZEN COLOR on the other hand will brighten up any table setting.

Choose designs from our complete ranges of tableware. You will find an abundance of shapes, sizes and designs; rimmed or coupe plates; a selection of bowls; can or bowl-shaped tea, coffee and espresso cups. Extensive as the ranges are the designs shown are but a fraction of what is available. If you have any individual requests please email our sales team on the Contact Us page.

Decorative applications include either traditional, contemporary or modern designs and colored glazes. If you cannot find the exact decoration you desire our design team will create one for you. It is all part of meeting customer needs – our number one priority.
